IEEE SPS Student Branch Chapter Universidade de Coimbra
23-24 June 2026”

Embaixo da imagem por a secção de texto:

Title: About the Initiative

Text: Join us for the SPS Tech Day 2026, organized by the IEEE VTS & SPS Student Branch Chapter of the University of Coimbra and supported by the IEEE SPS Chapter Portugal. This two-day event at DEEC–FCTUC will feature talks from academia and industry on vehicular technology, 5G/6G communications, and modern signal processing. MSc and PhD students are invited to present posters and demos, share their work, and network with researchers and professionals. We look forward to welcoming you to Coimbra!

Place

The event will take place at the Department of Electrical and Computer Engineering (DEEC), University of Coimbra, Polo II.
